

WASTE CELLULOID
DEALER
CHIRANJILAL
SHARMA

AVIJIT MUKUL KISHORE

Soon after the check post on the Western Express Highway at Dahisar, which regulates the traffic and goods coming into the city, in Borivali, is the shanty-workshop of the waste celluloid dealer. Film prints discarded by filmdom do not cross the check post of the city but get recycled here as consumers' objects: coloured bangles and shirt-collar stiffeners.
